

How It Works

STEP 1:

Call and tell us about your property. We will review the details to make sure it meets our buying criteria and set up a quick appointment.

STEP 2:

An offer will be presented to you. There is **NO OBLIGATION** to accept.

STEP 3:

Escrow will close and **CASH** will be in your hands and the property off your hands in as little as 7 days.

Selling Your House Can Be a Quick and Simple Process
